

DECLARATION WITH REGARD TO EUROPEAN REGULATIONS
Regulation (EC) 1907/2006 concerning
Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

Leicester Circuits hereby confirms, to date, based on feedback from our suppliers, that substances listed on the candidate list, have not been intentionally added nor believe to be contained in any of the materials used for the production of any Leicester Circuits products, or may only be present below the accepted limit of 0.1% and therefore comply with the restriction of SVHC (Substances of Very High Concern) in (EC) 1907/2006 (REACH -- Registration, Evaluation, Authorization, and Restriction of Chemicals) regulated by the European Union.

The Content of Compliance is the 191 substances listed in SVHC, the complete list can be viewed at:

<https://echa.europa.eu/candidate-list-table>

Leicester Circuits will continuously review the ECHA "Candidate List" for additions and updates and act accordingly in compliance with REACH regulations. In the extremely unlikely situation that a Leicester Circuits product is found to contain SVHCs more than 1000 ppm by weight, Leicester Circuits will comply with the notification procedures to the authorities and recipients required under REACH legislation.

A handwritten signature in blue ink, appearing to read "Alan Maycock", is positioned above the printed name.

Alan Maycock

On behalf of Leicester Circuits Limited
